💼 PROFESSIONAL EXPERIENCE

Global Assist ⧉
Virtual Assistant
In this job position, I was able to enhance my bilingual skills by using my proficiency in English within the telecommunications field, while also improving my abilities as a reports and documents administrator.

Freelance
Mathematics Professor
Puerto La Cruz, Venezuela
During my time in university, I taught mathematics courses to classmates from various majors, which enabled me to develop skills in teaching, as well as improve my abilities in logical reasoning and mathematical calculation.

Freelance
3D Character Ilustrator For Videogames
I studied 3D development for creating video game characters, and spent several years working as a freelancer, utilizing and refining those skills for various clients through commissions.
